ABOUT ME

Hi! My name is Andrii. I recently graduated with a Bachelor's degree in Computer Science and am looking for my first job as a software engineer. My command of English and strong programming skills allow me to quickly learn new things and my sense of responsibility wouldn't let me do my job carelessly. Some of my hobbies are playing video games, D&D, drawing, sport. I would be happy to join your team.

I hereby agree to the processing of personal data provided in this document for realizing the recruitment process and future recruitment processes pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
